

Is it time for your annual mammogram?

Novant Health Breast Center mobile unit will be on-site

Do I need an appointment?

Appointments are not required **but recommended**. If you would like to reserve a time slot in advance, please call **704-384-7226**. **We do accept walk in's** but appointments are given priority.

Is this covered by insurance?

Screening mammograms are covered as a preventive care under most insurance plans. For your convenience, we will

file a claim with your provider on your behalf.

What if my last mammogram was not at a Novant Health facility?

You can still receive a mammogram on our mobile mammography unit. Our team will contact your previous provider to obtain films from your most recent mammogram. Past results are necessary to ensure that no changes have occurred in your breast health.
